1.3.1

Institution integrates crosscutting issues relevant to Professional Ethics, Gender, Human Values, Environment and Sustainability into the Curriculum

Response:

The institute is affiliated to Kavayitri Bahinabai Chaudhari North Maharashtra University, Jalgaon and adheres to the curriculum prepared by the expert body consisting of teachers from various institutions. The members ensure that the issues of gender, environment sustainability, human values, and professional ethics also get equal representation in the curriculum. Most of the programmes do have these issues addressed in their syllabi. Following is the list of related courses which address the Professional Ethics, Gender, Human Values, Environment and Sustainability into the Curriculum.

Sr.No.	Name of Course	Course Code	Description
1	B.A.	1001	Environment and Sustainability
2	B.A.	1001	Gender, Human Values
3	B.Sc.	1002	Environment and Sustainability

Whereas, the all streams deal with issues of environment, global warming, afforestation, flora and fauna and sustainability etc. The B.A. curriculum for example includes various issues on women empowerment, sustainable development, human values like justice, equality, liberty and rights, caste issues, rights and duties, social responsibility, child rights etc.

The institution regularly tries to integrate these cross-cutting social issues to the curriculum by periodically organizing seminars/ workshops having bearing on Gender Equality, Environment and Sustainability, Human Values and Professional Ethics. The college also recognizes the importance of value based education. Human Values are, admittedly, most precious of all values. Communal Harmony, Dignity of Labour and concern for the Otherwise Abled are the Human Values that the institution tries to inculcate in the minds of the receivers.

There are specific committees and associations like Women Empowerment Cell that make a collective effort to sensitize the students on areas of concern like Gender equality, Human rights, Environmental issues, etc. The general atmosphere of our college, with equal opportunity to boys and girls in many courses, provides an enabling environment for gender equality. Gender equality is promoted through lectures on women rights, female feticide and gender based violations. Self defense courses for girls, skits promoting gender sensitivity and other such related activities are also organised. The Department of Botany promotes green practices through plantation in botanical garden.

The college also organises workshop, programs regarding Professional Ethics, Gender, Human Values, Environment and Sustainability. The reports of such workshop organizes by the college during last five year is also attached herewith.
