Feedback Analysis and Action Taken Report 2022-23

The college collects the feedback on curriculum aspects and courses from different stakeholders such as the students, teachers, parents, alumni and Employers. The college maintains an IQAC as a quality consistence and quality enhancement measure. The IQAC ensures and analyze the academic excellence at student and faculty levels through feedback mechanism with periodical analysis.

The college of thoroughly reviews the curriculum for every academic year. In supervision of IQAC, various departments and committees reinforce the curriculum by incorporating updated information and social issues. The college collects the feedback manually on Curriculum which is prescribed by the university, further college website invites all stockholder to provide feedback through provided link.

The college conducts annual Alumni Meet, in which suggestions and feedback is received from Alumni students. Feedback from industrial management, R & D establishments and professionals is obtained through college website's feedback link. The provided feedback data is analyzed and presented to the university for necessary implementation in curriculum.
