Students Professional Development Cell – 2022-23

The college has established Students Professional Development Cell from academic 2018-19 for the purpose of promoting professional development among students. It serves as a bridge between academia and industry, providing students with opportunities to develop skills, gain practical experience, and prepare for successful careers. It is dedicated within our institution committed to fostering the holistic development of our students. We believe in empowering our students with the knowledge, skills, and experiences necessary for success in their academic pursuits and future careers. It is committed to nurturing well-rounded individuals who are not only academically proficient but also equipped with the skills and knowledge required to thrive in today's dynamic professional landscape. It's crucial to regularly assess and update the practices to ensure they align with the evolving needs of students and the job market. The following detail objectives describe the necessity of Student Development Cell.

Objectives of the Cell

- To collaborates with industry partners to bridge the gap between academia and the professional world.
- To promote students and faculties to participate in Professional Development.
- To guiding students for Skill Development.
